

Positive Postcards

spread love,
give encouragement,
& make someone
smile

Instructions

- You will need to purchase materials from a craft store.
- Plan a meeting and have students write positive and encouraging letters or inspirational notes to other students.
- Post and leave these notes scattered all over your school in lockers, bathrooms, and classrooms. Be creative!

Materials

Blank postcards, sticky-notes, or paper and envelopes and lots of writing tools. You'll want stickers, colored paper, scissors. Get crafty & get creative!

Budget & Number of students

Plan on spending \$50.00 - \$75.00 on supplies. This activity can reach 50 - 100 students depending on number of cards made.

Timeline

- You will need at least 2 weeks to buy supplies, organize your meeting, and come up with example letters and ideas about where to post the letters.
- This activity will take 30 - 60 minutes to make the cards and another 30 to distribute them.
